RE: 3rd Community Fair

On Saturday, June 5, Community and Economic Development will host its second Community Fair promoting area groups and organizations at the Amherst Stadium from 10:00 am to 2:00 pm.

The purpose of this event is to bring together community service clubs and organizations within Amherst, so the general public can learn about their mandates, and how they are working to improve the quality of life for residents in Amherst.

The June 5th event, showcasing the strength of various agencies, not for profit groups and volunteer organizations, will be an informative and interactive experience. This opportunity will provide residents with an opportunity to gain an insight by viewing over 50 displays booths, and speaking with representatives from the various exhibitors.

Community and Economic Development summer program staff will be on hand to answer questions about the Town's upcoming summer programs and to register youth and families for youth instructional swimming lessons, youth tennis, playground programs and issue family recreational swim passes.

There is no admission to this one-day event. It will provide an excellent opportunity for networking among local groups and learning about the valuable work that community and provincial groups are achieving, as well as learning about opportunities and services for residents to share in.
