

IN FLANDERS FEILDS

In Flanders feilds the poppies blow
Between the crosses row on row
That mark our place and in the sky
The lark still bravely singing flies
Scarce heard amid the guns below

We are the dead, short days ago
We lived felt dawn, saw sunset glow
Loved and were loved and now
We lie in Flanders fields

Take up our quarrel with the foe
To you from failing hands we throw
The torch, be yours to hold it high
But if you break faith with those
who die
We shall not sleep though poppies
Grow in Flanders fields.

Act of Remembrance
They shall grow not old
As we that are left grow old
Age shall not weary them
Nor years condemn
At the going down of the sun
And in the morning
We will remember them.
