PURPOSE:

The provisions of this policy are intended to:

- a) Promote equal opportunities for permanent staff firefighters who maintain their volunteer status within the Department to hold officers' positions.
- b) Promote fairness and impartiality.
- c) By means of an established procedure, enable the Fire Chief to evaluate, promote or repeal an officer's status as the Chief sees fit, within the permanent staff who maintain their volunteer status in the Department.

POLICY STATEMENT:

The duties and responsibilities of the permanent firefighters who maintain their volunteer status within the Department are such that these employees should be considered for appointment to officer rank within the Volunteer Fire Department, under the control and directive of the Fire Chief.
