SUBJECT: Cumberland Energy Authority Presentation to Council Request

Staff have been contacted by Hailie Tattrie with the Municipality of Cumberland County's Cumberland Energy Authority (CEA) to give a presentation to Council.

This past fall the CEA teamed up with the Centre for Local Prosperity and hosted a Climate Change Retreat at the Thinkers Lodge in Pugwash NS. Ms. Tattrie is looking to present to Council about the themes that arose from this event, and to discuss how this impacts the county as a whole going forward.

She would also like to take the opportunity to invite Council to their upcoming Energy Symposium to be held May 24th in Springhill, NS.

In accordance with Policy 10350-24 Proceedings of Council Policy, I am seeking Council's direction on whether it may be interested in such a presentation. Should Council have an interest I will proceed to arrange for her to present at a future meeting.
